Since its founding, RBSCC has been committed to creating a positive difference, actively responding to the changing needs of the community and providing a diverse range of services to some of the most needy youth, seniors, and families in New York State.”

The Facility: Plaza de Los Ancianos, 297 Wilson Avenue

RBSCC’s Plaza de Los Ancianos, built in 1997, in Bushwick, Brooklyn is located on the corner of Wilson Avenue and Bleecker Street, and is home to nearly 100 Senior Citizens and a live-in Superintendent. RBSCC Building Staff includes Property Manager, Social Service Coordinators, Maintenance Staff, and 24-hour Security. Many of Plaza’s residents speak Spanish as a first language and have lived at Plaza since it was built.

RBSCC Senior Residences offer on-site resident programming (classes, activities, resources) provided by RBSCC Social Service Coordinators ensuring their Seniors have access to social and educational opportunities. Plaza de Los Ancianos has 24-hour on site security to ensure Seniors are secure and visitors to the building are approved.

Plaza de Los Ancianos is located two blocks from the M train at Knickerbocker Avenue Station, adjacent to the B60 Bus line, and a few blocks from the M and L trains at the Myrtle/Wyckoff transit Hub.

The Space: Hobby Room

The Hobby Room at Plaza de Los Ancianos is a sun lit ground floor, ADA compliant, multipurpose room. The room is regularly utilized by RBSCC's Senior residents for arts, crafts, and other creative group events. The Hobby Room is a colorful and creative space that holds many senior art works, crafts, plants, and an old piano. The room has open space, white boards, tables and chairs that the composer may utilize. There is a kitchen, bathroom, and outdoor courtyard adjacent to the Hobby Room that the composer may access. Off-street parking for the EtM Composer-in-Residence may be possible but would need to be arranged in advance.

As Plaza de Los Ancianos is home to Senior Citizens, security and amplification are of concern. RBSCC will issue the EtM Composer-in-Residence a RBSCC ID which will need to be presented to the security guard at 297 Wilson upon daily entry. The EtM Composer-in-Residence would agree to clear any visitors or collaborators with RBSCC staff in advance of their visit. There will be no amplified sounds permitted at 297 Wilson. Percussionists would not be suitable residents for this site. The EtM Composer-in-Residence is expected to follow all rules of our facility and conduct themselves in a professional and respectful manner while on site.

It is not recommended that the EtM Composer-in-Residence leave equipment at Plaza de Los Ancianos as Seniors and staff utilize the Hobby Room regularly and personal-property security cannot be ensured. Should temporary on-site instrument/equipment storage be needed, the resident would coordinate this with RBSCC staff. RBSCC will be as accommodating as possible.

The RBSCC: Plaza de Los Ancianos Hobby Room would be available for an Exploring the Metropolis Composer-in-Residence to use Mondays through Fridays from 4:00 PM until 9:00 PM.

RBSCC requests the composer provide a bi-weekly (twice a month) anticipated "schedule of use" of The Hobby Room in order to ensure Seniors could reliably access the Hobby Room for special events and other functions.

Helpful Hints for Your Application

- While we ask for a five-minute sample, please keep in mind that first impressions are key and that panelists may not listen to the entire selection. If the most interesting part of your piece takes place four minutes in, use that as your starting point.
- Artistic merit is two-thirds of your total score so choose your work samples wisely.
- Keep proposals concise, clear and concrete.
- Please submit application from your own email address, not another person's!

Deadline

All items must be received in our office by 5:00 p.m., Monday, October 31, 2017. There are no exceptions for late applications, including those delayed by internet problems. Incomplete application forms or incomplete materials will not be considered. Applicants will receive email confirmation of receipt of materials.

Selection Process & Criteria

Applications will be reviewed by an independent panel of four musicians and music professionals in various genres. Panelists have been chosen based on recommendations by professionals in the field. Exploring the Metropolis staff will act in an administrative capacity.

The review process is not anonymous. Materials will be reviewed and evaluated by the panelists. A single panelist cannot ensure a composer's success or failure. Panelists' names will be kept confidential until after the award announcement is made. After review of all materials, the panel will assess and rank all materials of eligible applicants according to the following criteria, in order of priority:

- Artistic merit (two-thirds of total score)
- Quality of proposal (one-third of total score)

RBSCC will assess technical and logistical suitability of projects for their space before the winner is announced.

Residency Timeline

The award announcement will be made in December 2017, with specific starting date as Composer-in-Residence to be agreed upon with the host facility.

The public program must be completed by June 30, 2018.

Obligations and Benefits for the Composer Resident

- Once notified as a recipient, the composer will need to verify NYC as primary residence by providing a copy of any one of the following: tax forms, phone or utility bills, bank statements, NYS drivers' license, etc.

The composer will retain sole ownership, including licensing and copyrights, for all work produced during the residency.

Exploring the Metropolis will send press releases to appropriate media announcing the winner of the EtM Ridgewood Bushwick Senior Citizens Council Composer Residency and will publicize the public programming component at the conclusion of the residency.

Founded in 1982, EtM's mission is to foster a vibrant and prolific performing arts community around shared resources of space and talent, to increase stability and growth within the artistic community and to help broaden public access to the performing arts. Our residency programs which utilize underused space in NYC cultural and community facilities, have awarded more than \$500,000 worth of rehearsal space and financial support to more than 60 composers and choreographers since 2009. EtM's recent research studies on the needs of NYC's performing artists have resulted in major initiatives including the DiMenna Center for Classical Music, the EtM Con Edison Composer Residencies, the EtM Choreographer + Composer Residencies and the CUNY Dance Initiative.
